Sunday Times: Page 180, 191.

http://www.timesonline.co.uk/tol/newspapers/sunday_times/scotland/article732611.ece

Note: This Times article is factually incorrect. The Danish experts were not Shirley's experts but the **Crown Office** experts. They did not make a 'mistake' they were given the wrong fingerprints to look at by the Crown Office. Their conclusion that the **Marion Ross print is erroneous** is correct and has been confirmed by Michael Pass who was brought in by the **Crown Office** at the request of the Danes.
