

LETTER TO ALL MSP'S

26 April 2004.

**27 Donnini Court
South Beach Road
AYR KA7 1JP**

Dear Mr McConnell,

SHIRLEY MCKIE

Perhaps one of the clearest indications that our Parliament is working effectively is the extent to which **known injustice** is perpetuated in Scotland.

My daughter Shirley has been involved in a traumatic fight for justice after her fingerprint was wrongly identified at a murder scene eight years ago.

I am writing to all MSP's to ask how aware you are of this **known injustice**.

I believe that confusion about the 'facts' surrounding Shirley's treatment has not helped individual MSP's make up their minds as to the rights and wrongs of her case.

To assist you I have attached a statement of some of the 'facts' as I see them. I am prepared to validate them to you at any time and to meet with you or discuss by e-mail or telephone.

I ask you to take time to read the statement, reflect on what relevance my daughter's case has to you, your constituents and justice in Scotland and invite you to join in cross party support for an early resolution of her claim against the Scottish Ministers.

Yours sincerely.

Iain McKie
